Term 2 has been action packed and energized!

Congratulations to all of our students whom danced at competitions, PNDA Dance 2021 & in NZAMD exams. You have done yourselves and MDZ proud.

We wish **Miss Kayla** all the best as she spreads her wings. She has been a wonderful teacher at MDZ and we all have so many great memories of her bubbly personality and fabulous jumps! We look forward to hearing about her life adventures 😊

Miss Jasmine will be stepping up to take on some junior Ballet & Jazz classes in term 4. **Miss Alysha** will be picking up the junior contemporary class.

I am very excited to welcome **Miss Rebecca** to our team. Rebecca has extensive knowledge & skills in Hip Hop dance & teaching. She has completed full time training & performed in the NZ company. All of our Hip Hop classes will now be held on Thursday. Please make Rebecca feel welcome – I can't wait to see your skills develop under her tuition.

All NZAMD classes **move up a level** for term 3. The ballet grades will move up after exams and you will see some changes to the timetable to accommodate us moving in to recital preparation. Exciting! Our **recital reveal** will be held the week after ballet exams. Further information closer to the time.

We are still waiting for confirmation of our ISTD exam dates – I think they will be mid September.

It is **essential** that you are like our facebook page as regular reminders and updates are placed here. Please keep your emails updated also.
